

IAEA-Special Evening Event at *ClassicDesignStudio*-Thursday Oct 6th 2011

Hand it Over! - Hands IN experience – a special event for IAEA participants!

You won't want to miss Classic Design Studios' resident artist Noel B. Weber for an evening of creative indulgence – Work in the Ming Studio Urban Art Center, where Noel and crew will lead you through the sensational process of creating a super-realistic, ultra detailed cast of your hand using dental alginate. You'll take home a plaster cast of your limb, and instructions for a very kid-friendly process that sparks wonder and joy. *IF you can, plan to leave your casting overnight to cure before transporting it.*

7 P.M. – 9 P.M. right after the BAM reception

Classic Design Studios - 412 South 6th Street, Boise (208) 336-2769 – a 5-min. walk from BAM.
